Contact 19

Professional, reliable, scalable services.

An Ethiopian private limited company re-established under Ethiopian law, LARO delivers integrated solutions across advertising, branding, design, printing, promotional products, corporate supplies, events, ICT and support services.

HEADQUARTERS	Addis Ababa, Ethiopia
WE SERVE	Public institutions, development partners and private-sector organizations

OUR OBJECTIVE

Practical, high-quality solutions that enhance brand visibility, communication and institutional effectiveness.

Customized solutions, not standard products.

An integrated advertising and corporate solutions company combining creative, technical, production and business expertise. Every organization has a unique identity, so every solution is tailored from single assignments to complex, coordinated projects.

SERVICE I

Advertising & Marketing Communications

Effective communication builds visibility, trust and engagement. We help organizations communicate their products, services, programs and identity with clarity and creativity.

Includes: Campaign development · Digital and social media marketing · Promotional and direct marketing · Public awareness campaigns · Print-media advertising

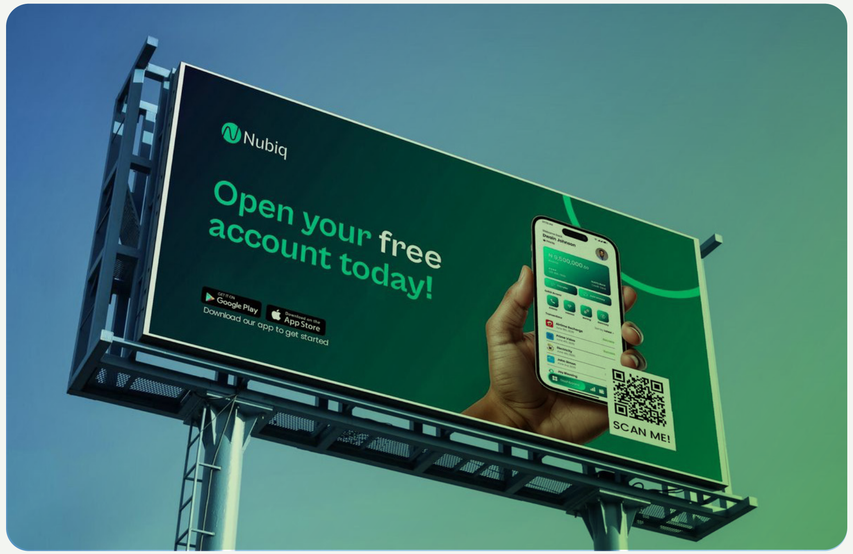

SERVICE II

Branding & Corporate Identity

A strong brand creates recognition, trust and consistency. We build visual identities that look professional and stay consistent across every communication and physical space.

Includes: Logo and identity design · Brand guidelines · Corporate stationery · Office and reception branding · Signage and wayfinding · Vehicle and event branding

SERVICE III

Creative Design & Commercial Printing

Our creative and production teams work together so every printed piece communicates your identity and meets professional finishing standards.

Includes: Company profiles · Annual reports · Books and magazines · Brochures and catalogues · Calendars · Business cards · Letterheads · Certificates · Labels and packaging

SERVICE IV

Corporate Flags & Institutional Supplies

Premium 3D office flags bring an elegant, distinctive presence to executive offices, boardrooms, reception areas and government offices.

Includes: Premium 3D office flags · Dual table flags · Ethiopian National Flags · Corporate and institutional flags · Indoor and outdoor flags · Stands and accessories

SERVICE V

Corporate Gifts & Promotional Products

Customized products that strengthen relationships and keep your brand visible, for staff, clients, events and stakeholders, with eco-friendly options.

Includes: Notebooks · Branded and bamboo pens · Bottles and mugs · USB drives · Power banks · Umbrellas · Caps, T-shirts and jackets · Tote and recycled paper bags

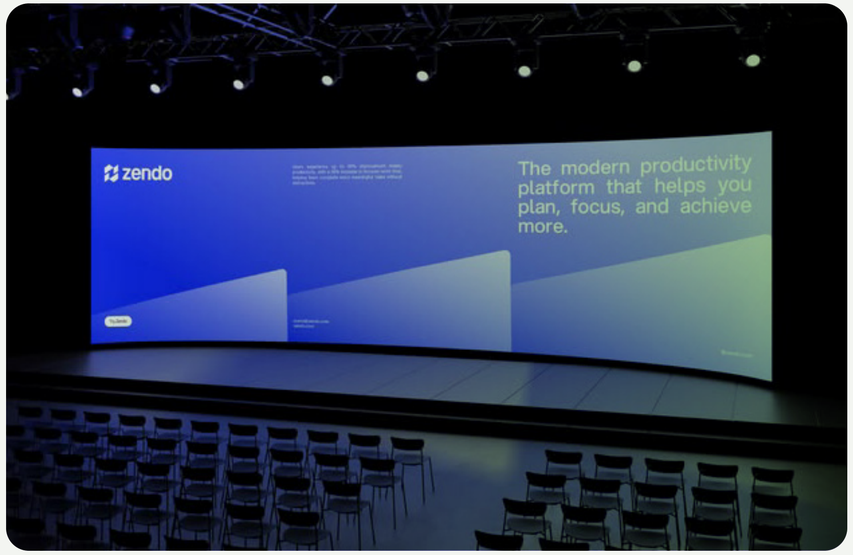

SERVICE VI

Corporate Gift Boxes

Gift packages designed around your brand identity, the occasion, the recipient, your budget and corporate requirements.

Can combine: Premium executive products · Practical everyday items · Eco-friendly promotional items · Branded packaging

SERVICE VII

Event & Promotional Solutions

Integrated event branding and production for conferences, exhibitions, launches, ceremonies and institutional programs professional, welcoming and on-brand.

Includes: Stage branding and backdrops · Roll-up banners · Exhibition displays and booths · Directional signage · VIP and protocol branding · Installation and dismantling

SERVICE VIII

ICT Supply & Technical Materials

Computers, ICT equipment and technical materials that complement our core operations and meet broader institutional supply needs.

Includes: Computers and accessories · ICT equipment and materials · Office technology products · Technical supplies

SERVICE IX

Additional Support Services

Complementary support services that keep working environments clean, professional and functional.

Includes: Gardening · Cleaning · Facility support

SERVICE X

Adey Abeba Carpet

Customized carpets made to your dimensions, identity, logo and branding, elevating offices, reception areas, events and institutional spaces.

Ideal for: Offices · Reception areas · Events · Institutional spaces

Our capabilities

Creative, technical, production, supply and project-management expertise working as one.

Creative

Concepts and designs that communicate clearly and professionally.

Production

Printing, branding, promotional products, flags and other physical materials.

Project Management

From initial requirements through production, delivery and implementation.

Supply

Corporate, promotional, ICT and technical materials.

Installation

Where required, we extend beyond production to installation and implementation.

Scalable Delivery

A multidisciplinary structure for projects of any size and complexity.

04
Client-Centric Approach
Solutions tailored to each client.

05
Quality
Professional standards, quality control.

06
Compliance & Standards
Contractual and ethical practice.

07
Scalable Solutions
From single jobs to large projects.

08
Long-Term Relationships
Built on trust and consistent service.

Every engagement managed professionally every result meeting the agreed requirements.

LARO Advertising PLC delivers high-quality services in compliance with applicable standards, contractual requirements and ethical business practices.

Quality control
Accountability
Transparency
Professional execution
Client satisfaction
Contractual compliance
Responsible business practices
Continuous improvement

Our approach

Five steps from the first brief to ongoing support.

01
Understand
Requirements, objectives, identity, audience and expectations.

02
Develop
Our creative and technical team shapes the right solution.

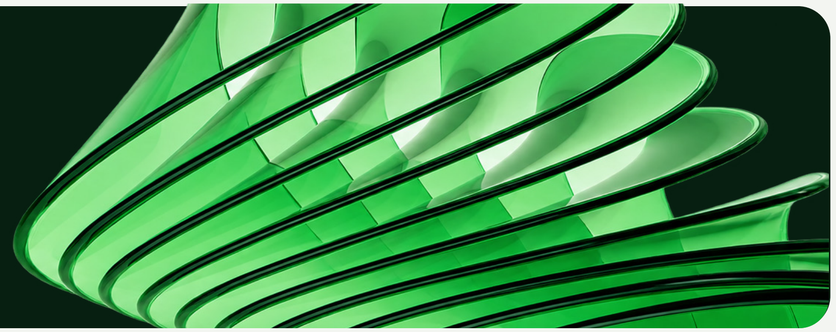

03
Produce
Quality materials, accurate specs, professional finishing.

04
Deliver
Coordinated delivery, installation and implementation.

05
Support
Responsive communication throughout the engagement.

THE RESULT

Solutions that are visually strong, practical and aligned with each client’s objectives.

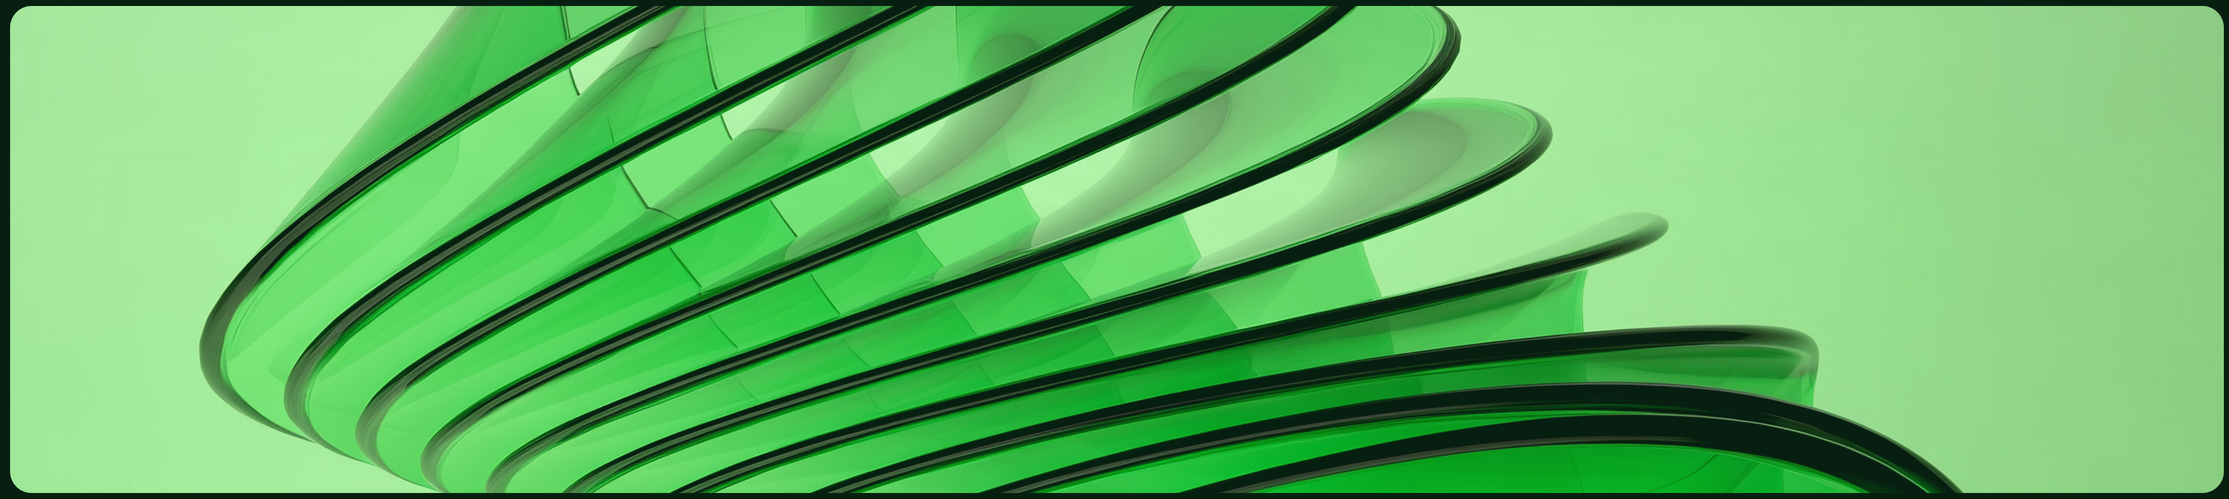

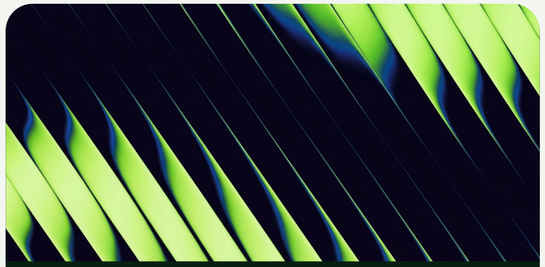

OUR MISSION

To deliver innovative, reliable, high-quality advertising, branding, printing, promotional and support solutions that enhance brand visibility and institutional effectiveness.

OUR VISION

To become a leading and trusted provider of integrated advertising, branding, communications and support services in Ethiopia and beyond.

CORE VALUES

What we stand for

Excellence

High standards in every project and every client engagement.

Integrity

Honesty, transparency, accountability and respect.

Customer Focus

Client needs and satisfaction at the center of our work.

Creativity

Innovative, practical ways to communicate ideas and strengthen brands.

Reliability

We take responsibility and deliver as promised.

Professionalism

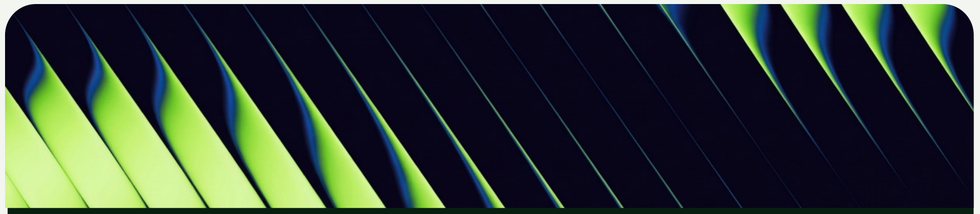

Professional standards in communication, production and delivery.

Continuous Improvement

Always improving capabilities, products, technology and systems.

Building for the next stage

Since its re-establishment, LARO has strengthened branding, commercial printing and large-scale signage production while diversifying into complementary support services.

NEXT 3–5 YEARS

An integrated branding and communications provider, with operational capacity beyond Addis Ababa.

STRATEGIC PRIORITIES

01	Strengthen advertising and branding
02	Invest in advanced printing technology
03	Improve production efficiency and quality
04	Expand the promotional product portfolio
05	Strengthen corporate supply capabilities
06	Develop regional service capacity
07	Expand institutional partnerships
08	Strengthen import and distribution
09	Sustainable, large-scale project delivery

EVERY PROJECT REPRESENTS OUR CLIENT

A business card represents a company.

A corporate gift represents a relationship.

A flag represents an institution.

An event represents an organization’s professionalism.

A company profile represents its identity.

Professional | High Quality | Creative | Reliable | Timely | Consistent | Purpose-Driven

We do not simply produce advertising materials. We help organizations build visibility, professionalism and brand presence.

Let’s work together
